

SAM. PRIDLEAU, Jun. & Comp.

CHARLES-TOWN, March 30, 1767.

THE CUSTOM-HOUSE OFFICE is now removing into the Old Council Chamber over the Gun Room, at the lower end of Broad-street, where it will be kept probably till a new Exchange is built.

Letters from Martinique of the 4th instant, advise, that the effects of the terrible Hurricane which happened there in August last, still continue to be felt very severely throughout the whole Island; and that the French King had done every thing in his power to alleviate the misfortunes of his subjects there, by granting every indulgence that could be wished, and ordering large quantities of Beef and other provisions to be transported and distributed among the poorer sort; but that there was an evil which they could not overcome "the want of Cash," the Island having been drained of specie by foreign vessels, that an Ordinance was shortly to be issued, requiring the masters of all such vessels, in future, to give security that they will take in payment for their cargoes nothing but metallic, sugars and other goods.

We hear that the crop of Sugars throughout the British West India Islands will be the greatest this year ever made.

EAST FLORIDA, &c.

WHEREAS by the definitive treaty of peace, concluded at Paris, the tenth day of February, one thousand seven hundred and sixty-three, between our most gracious Sovereign GEORGE the third KING of GREAT-BRITAIN, &c. the French King, and the King of Spain, the whole country of FLORIDA, was ceded to his Britannick Majesty; AND WHEREAS, by the twentieth article of the said definitive treaty of peace, his Britannick Majesty did, amongst other things, agree that the Spanish inhabitants, or others, who had been subjects of the Catholic King, might sell their estates, provided it should be to his Britannick Majesty's subjects. NOW WE, JOHN GOVERNOR, of Charles-Town, in the Province of South-Carolina, merchant, and JESSE FISH, of the town of St. Augustine, in East-Florida, do hereby give this public notice to all persons settling, and intending to settle in Florida, that we, for ourselves and others, all subjects of his Britannick Majesty, in the months of October and November, immediately after the ratifying the said treaty of peace, confirming and relying on his Majesty's Royal stipulation therein, and above mentioned, did purchase from several of the subjects of the crown of Spain, then residing in Florida, for a valuable consideration, and had in due, lawful and proper form, and by proper deeds and conveyances in law, conveyed to us, various and extensive tracts of land in the said country, and in that division thereof now called East Florida, of which lands the said Spanish subjects before, and at the time of, ratifying the said treaty, were lawfully seized and possessed, according to the laws of Spain, as of their own private property, and the conveyances made to us as aforesaid, were on the first day of December, one thousand seven hundred and sixty-three, proved before the then British Commander in Chief of East-Florida, certified under his hand and seal, and duly authenticated, and a nouth and instrument declaring us, the said JOHN GOVERNOR and JESSE FISH, to be the real and lawful purchasers and owners of the said lands, under the hand of the Spanish Governor and Royal officers of Florida, at St. Augustine, and the seal of their Contaduria, were filed, and the said instruments and conveyances, with plans of the several tracts of land thereto annexed, were produced unto his Excellency Governor GRANT, on or before the seventeenth day of November, one thousand seven hundred and sixty-four, and tendered at the Publick Register's office, in St. Augustine, there to be recorded; that no person might plead ignorance, or be misled, in their application for, or settling on, lands in East Florida. NEVER- THELESS, William Greening, Esq; Publick Register, did refuse to receive or record in his said office the said conveyances, by order (as he said) of the said Governor, who has declared, that he would, on application to him in council, grant away these lands, in the same manner as if no purchase of the same had ever been made. WE DO THERE- FORE, in this public manner, claim our right to the said lands, and enter our caveat and protest against the Governor of East Florida, his granting any part or parcel of the same: AND, we do hereby in like manner caution and forewarn all persons whomsoever, from sitting down, settling on, or clearing any of the said lands, on any pretence whatsoever, without our leave and consent, as such person or persons may depend on our asserting our right, founded upon the faith of the said treaty, and on our pursuing to the utmost extent of the law, any trespassers on the said land; at the same time, WE DO DECLARE, for ourselves and the other proprietors, that we will give due encouragement to all persons that shall apply to us to settle the said lands, by virtue of, and under our right and title, on the most reasonable terms. And for the better information of all whom these may concern, a general plan or survey of our said lands may be seen in the hands of either of us, in Charles-Town, or St. Augustine. JOHN GOVERNOR, St. Augustine, Nov. 3, 1765. JESSE FISH.

son's plantation, at Tobago, at
Thirty-five pounds currency each mare, and a Dollar
to the groom; the money to be sent before the mares
are taken away: If any of them should not prove
with foal, they may be sent the next year gratis. —
There is an exceeding good pasturage for the mares,
and great care will be taken of them; but they must
be at the owners' service.
NOBLE was got by Old Brutus, his dam by Squire,
his grandam (dam of Merry Bachelor) by Starling,

CADE,

son at Mr. William-
son's plantation, within a mile of
Rantowle's bridge; and as the proprietor of the

encouragement of those who have such mares, suffice
them to be sent to the horse, and covered, until they
prove with foal, upon paying Thirty-five Pounds, & a
Dollar to the groom. Good pasturage, and great care
will be taken of the mares; but Mr. Williamson
will not be answerable for any accident which may
happen to them. — Those mares which CADE
covered last year, and did not prove with foal, are
desired to be sent to the horse the present season, at
the above plantation. — No mares will be admit-
ted before the 1st of April.
It is expected those who find their mares will also
send a certificate from under their hands, of their
being sent by running horses, or they will not be re-
ceived. — No consideration whatever, as the
owner of the horse is desirous to give him a chance
of proving himself a good Stallion, and which can-
not be done while bad mares are admitted; this has
been the case ever since the horse was imported, ne-
vertheless, his colts are allowed to be the

SOUTH-CAROLINA.

(L.S.)

By the honorable **JOERTON LEIGH**, Esq; sole Judge of his Majesty's high Court of Vice Admiralty.

WHEREAS a certain libel was on the 10th day of December last exhibited and filed in this court by Samuel Pleasant, and Samuel Rhodes, of the city of Philadelphia, for recovery of certain sums of money borrowed by one William Earl of Rhode Island, on the bottom of a certain ship called the *Indivisible*, her tackle, furniture and apparel, which said William Earl is sole owner of the said ship.

And whereas in support of the said demand an exemption of the original bill of bottomry, from some public use in Philadelphia was produced, but unaccompanied with any evidence of a subscribing debt, notwithstanding the said libellers did, by their libel, aver, that the debt sued for is unpaid, and that no part thereof is paid, and it appearing to me that the proofs in this cause were insufficient in law for me to decree a condemnation and sale of the said vessel; I did therefore, on mature deliberation, interdictorily order and adjudge, that the said vessel should remain in the charge and custody of the marshal of this court, and that the libellers shall transmit the original bill of bottomry, or give due proof that the debt demanded is still subsisting and unpaid; and also, that the said William Earl, the owner, shall have notice to come in and contest the merits of the said libel.

There are therefore to cite and admonish the said William Earl, the owner of the said ship *Indivisible*, to be, and appear before me, at the usual place of judicature, in Charles-Town, within three calendar months from the date hereof, to show cause, (if any they have) why the said vessel should not be condemned agreeable to the prayer of the said libel.

GIVEN under my hand and the seal of the high court of Vice Admiralty aforesaid, at Charles-Town, this 5th day of January, in the year of our Lord one thousand seven hundred and sixty-six, and in the seventh year of His Majesty's reign.

By Order of the Court,

LEWIS REEVE, Administrators.

N. B. It is above nine months since the deceased Francis Stuart advertised his having declined business in Beaufort, and his debts of clothing his affairs there; at the same time requesting those indebted to him to settle their accounts with him; such as paid no regard to that advertisement, need not be surprised if they find themselves under the necessity of settling with an attorney at law, should they prove guilty regardless of this, as I would be unreasonable for them to expect the same indulgence from administrators, that they possibly might have had from the deceased, when alive.

JULY 5th, 1766, Ran away from the subscriber, on *Barb-Savannah*, Two Negroes, father and son, both named *Nival*; the father aged about 45, and the son 13 years: They were bought at vendue from the estate of Mr. John Kinn; carried off with them a large bundle of clothes, and were seen going towards *John's Island*, where they are well known, and supposed to be harboured by their relations, having lived on Mr. Kinn's plantation there.
